Omnicraft™

Omnicraft™ is a trademark of Ford Motor Company

Omnicraft™
FILTERS

Omnicraft is the newest brand in the Ford parts lineup, offering affordable, reliable parts designed for non-Ford repairs and backed by Ford Motor Company. Omnicraft offers maintenance & light repair parts including filters and brake parts. Additional product lines are under development to meet the needs of different applications.

Your benefits at a glance

Omnicraft is your new opportunity to get into the parts game for non-Ford vehicles in your area. With Omnicraft, your customers aren't only getting the quality parts they need, you're also giving them:

Confidence

Omnicraft is the newest member of Ford family of parts and provides a high-quality solution for non-Ford vehicles. Backed by Ford Motor Company and with over a century of parts heritage to build upon, Omnicraft is sure to give your customers confidence and peace of mind in their choices.

Competitive pricing

The competitively-priced Omnicraft range makes no compromises on quality, fit and performance.

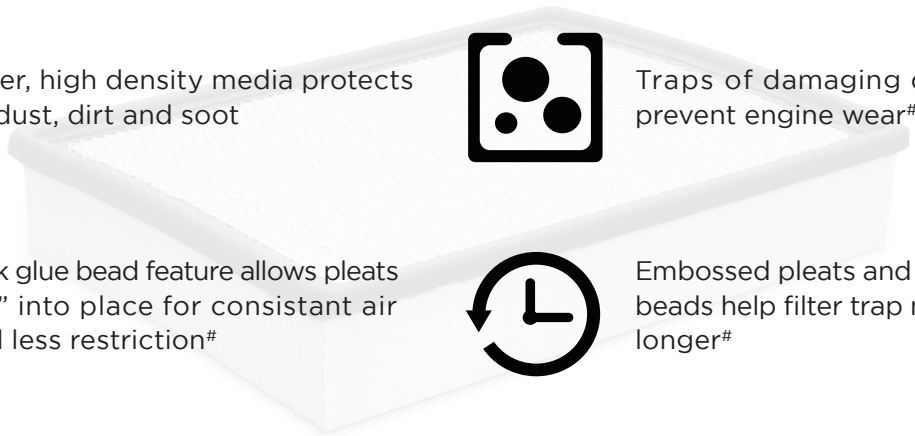
Quality

As part of the Ford family of parts, Omnicraft comes fortified with the reliable Ford brand heritage and quality guarantee.

Convenience

Find the parts you need for Ford and non-Ford in one place, helping you get jobs done faster and keep your customers satisfied.

Omnicraft air filters features



- Multi-fiber, high density media protects against dust, dirt and soot
- Traps of damaging debris and helps prevent engine wear#
- Pleat lock glue bead feature allows pleats to “lock” into place for consistant air flow and less restriction#
- Embossed pleats and pleat stabilization beads help filter trap more dirt and last longer#

#Not applicable for all models; specific part numbers only

Omnicraft oil filters features

Filter media provides stable filtering capacity and strength, and screens out abrasives to help prevent engine wear

Presure-relief valves help to maitain oil supply to the engine under complex operating conditions*

Bonded end-plates help keep consistant pleat spacing to enable efficient oil flow

Perforated steel center tube provides internal support needed under pressure*

Steel cases are “ironed” for a precise fit and fluted for easy removal*

*Applicable for Spin-On Type Oil Filters.

Omnicraft fuel filters features

Provides efficient filter media to help block impurities and contaminants in your fuel or gas tank before they can enter your engine or clog your injectors

Protects engine from wear-causing abrasive

Help prevent stalling, poor starting and potential engine failure

Omnicraft cabin air filters features

Designed for capacity and efficiency throughout the life cycle

Designed for specific models to help filter outside air entering passenger compartment.

Prevents dirt, bugs and debris from entering and disrupting HVAC operation
